

GROW GIPPSLAND

GROW (Growing Regional Opportunities for Work)

Gippsland is a collaborative program that seeks to strengthen social and economic outcomes and increase job opportunities through procurement and employment across the Gippsland region.

How do I increase my visibility as a supplier and discover opportunities for my business?

ICN Gateway

The Industry Capability Network lists EOIs through the ICN Gateway. A page has also been developed for Gippsland specific projects.

- Register on the ICN Gateway: www.gateway.icn.org.au
- Visit the ICN Gippsland page: www.gippsland.icn.org.au

Gippsland Business Connect

Promote your business at no cost, engage directly with other local businesses, create expert articles, search events, job opportunities and projects to grow your business.

- Register on Gippsland Business Connect: www.gippsland.businessconnect.io

GROW Gippsland Regional Procurement Platform - VendorPanel Marketplace

A place for buyers and suppliers to engage in a fair and transparent quotation process. Ensuring that suppliers are visible to buyers in the region to allow for an improved local economy and increased job opportunities.

- Register on VendorPanel Marketplace: (Gippsland specific, free for suppliers) www.vendorpanel.com.au/marketplace.aspx
